School administrators must ensure that Service Providers complete Live Scan fingerprinting prior to servicing student's onsite. Service Providers are eligible to service students once satisfactory clearance of background check and TB test has been confirmed by Human Resources and approved by Charter Principal and Risk Management.

California State Board of Education requires that all school Service Providers and employees be tested for exposure to tuberculosis every four years. In accordance with Health and Safety code §121545, Service Providers must show proof of tuberculosis clearance. The initial examination must consist of a Mantoux skin test. Service Providers may be tested by their own physician or visit a Los Angeles County Health Center.

I certify under penalty of perjury and in conformance with Education Code section §35021 that I am not registered as a sex offender pursuant to Penal Code Section 290. I understand that, in accordance with Charter policy, school administrators will verify this information via the California Megan's Law database.

Service Providers agrees to keep all student information and school business matters confidential at all times during and after the term of the Service Provider agreement.
